

VSENSI DIGITAL

## A true sense of engagement

Our specialist digital services are carefully crafted for F&B, Retail, Hospitality, Wellness and Luxury Real Estate businesses, and can be subscribed through our 5 PLANS or A la Carte offering.

### Services that resonate

We believe that your customers deserve a great experience wherever they are engaging with you. Our digital services enable you to reach your business objectives both on and offline, whether it's sales, brand awareness or both.

### Website design and management

We take pride in creating advanced website design, management and graphics, online marketing, photography, business development and our latest addition of remote Hospitality and Wellness services that are in line with your business objectives. A round-up of our services are as follows:

- Weekly WordPress theme & plugin updates
- Daily backup Uptime monitoring • Performance monitoring
- Google Analytics integration • Breakdown support
- Monthly standard change request up to 2 hours
- Email and Phone Support

### Photography and Videography

We capture the essence of creating 'Images that Sell' Images that are powerful tools for your marketing strategies worldwide. We believe that "You don't take a picture, you make a picture". And a picture is a state of mind.

- Hotel + Resort • Interior + Design • Architecture
- Spa + Wellness • Medical Hospitality • Food + Beverage
- Lifestyle • Aerial • Portraits • Commercial
