

Concept Development

The VSENSI Effect

The pinnacle of guest experience

DESIGN Creation

Our team of experts have the experience, knowledge and skills to turn your vision into a reality. We will develop an operating statement for the proposed concept, which will determine the distinct unique selling points and how the brand should actually be set up and run.

Our Services include:

- Market research and survey
- Concept Creation and Development
- Pre-opening

ALIGN Growing

We examine what organizations are doing to stay relevant and competitive in a fast-paced world. We strategize using Smart Tools and global resources to understand the implications of every choice our clients can make. Investing or franchising, we will support your growth strategy.

Our Services include:

- Franchise Design and Brand Book
- Franchise Operations manual
- Franchisee research
- Due Diligence

CONNECT Transforming

With years of experience, we have the capabilities and expertise to take your business to the next level. We combine our insights and skills to transform your processes and strategies, and in turn, your company.

We're proud to help shape and improve how our clients structure and manage their business.

Our Services include:

- Business Analysis & Financial Projections
- Strategic implementation
